Mr. Don Paarlberg (who has taken Gabriel Hauge's place on the President's staff) telephoned me to state that the President had received a letter from [redacted] who is head of the [redacted] also senior editor of the [redacted] writing, I believe, in his capacity as head of [redacted] - he stated he wanted to see the President and wanted to talk to him as to how the facilities of the [redacted] could be made more effectively available to appropriate organizations of the U. S. Government. I told Paarlberg that I knew [redacted] well, and that we were in close touch with him [redacted]

STAT
STAT

I thought if the President had the time, it would be well worth while for him to see [redacted] and we would be glad to cooperate with regard to receiving any information which was available through [redacted] channels. I said I thought the State Department and Commerce Department would also be interested.

STAT

Mr. Paarlberg agreed to let me know when and if an arrangement was made for the President to see [redacted]
